

Name: Muhammad Mahad (L-)
Section: BCS- A
Lab: Lab -CS A

Question:

a) pwd:

- pwd stands for **print working directory**.
- It prints the current directory in which we are currently working.

A terminal window with a dark purple background. The title bar reads 'mahad@linux: ~/Desktop/labs'. The terminal shows the following commands and output:

```
mahad@linux:~/Desktop/labs$ nvin hello.c
mahad@linux:~/Desktop/labs$ pwd
/home/mahad/Desktop/Labs
mahad@linux:~/Desktop/labs$
```
